Raleigh

GAMES WITH BLUEY!

Wednesdays 10-11am, July 10- August 7

Join Capitol City Speech Therapy for a fun social group for Bluey fans ages 3-5. Led by a licensed SLP, we will practice social and play skills like inviting others, handling conflict and big emotions, and making friends while playing favorites like “Keepy Uppy” and “Magic Xylophone”.

Held in our spacious Raleigh office, (5) one-hour sessions costs \$250. Space is limited, so hold your spot and register today by calling our office at 919-577-6807 or signing up [here](#).

This group is targeted for children who need minimal behavioral support to participate in a small group setting. A referral from an SLP or a brief phone meeting with the group leader is required. Please call or email us if you have questions about if this group is a good fit for your child!
